

**DRAFT REGULAR MEETING MINUTES**  
**WEDNESDAY, SEPTEMBER 28, 2016**  
**KAPOLEI HIGH SCHOOL CAFETERIA**

**CALL TO ORDER** – Vice Chair Kioni Dudley called the meeting to order at 7:00 p.m. **Quorum was established with seven (7) members present.** Note – This nine (9) member board requires five (5) members to establish quorum and take official Board action. Vice Chair Dudley announced testimony and reports would be accepted as listed on the agenda.

Board Members Present – Dean Kalani Capelouto, Kioni Dudley, Jack Legal, Michael Madix (arrived at 7:03 p.m.), Brandon Mutchek, Christopher Pierce, Thad Spreg, , and Kanani Wond (departed at 8:52 p.m.).

Board Members Absent – Evelyn Souza.

Guests – Lieutenant Randall Arakaki (Honolulu Police Department); Captain Bryan Soares (Honolulu Fire Department); Clark Bright (Mayor Kirk Caldwell’s Representative); Rock Riggs (Senator Michael Gabbard’s Office); Representative Andria Tupola; Rian Adachi (Board of Water Supply); Judy Gold (Office of Elections); Pat Lee and Chris Wong (Honolulu Authority on Rapid Transit); Victor Flint (Naval Facilities Engineering Command); Richard and Shirley Landford; Steve Vendt (Hawaiian Railway); Rod Tengan and Jon Rosen (Consolidated Amusement Theatres); Mike Lee; John Bond; Frank Genadio; Kiran Polk; Georgie Navarro; Rob Moore; John Reid; Paul Dulan; Kaokaohu Wahilani; David Millwood; Chelsie Arashiro; Raymond Galdine; Lopaka Lompald; Relley Araceley (Neighborhood Commission Office); and videographer (DVDModo).

Roll Call/Statement of Order and Decorum – The Neighborhood Assistant (NA) took a roll call attendance.

## CITY MONTHLY REPORTS

Honolulu Fire Department (HFD) – Captain Bryan Soares reported the following:

- August 2016 Statistics: There were 3 structure fires, 2 wildland/brush fires, 8 nuisance fires, 4 cooking fires, 27 activated alarms, 146 medical emergencies, 1 motor vehicle collision with a pedestrian, 8 motor vehicle crashes/collisions, 2 ocean rescues, and 1 hazardous materials incident.
- Fire Safety Tip: Have your dryer installed and service by a professional. Clean the lint filter before and after each cycle and clean the back of the dryer where lint can build up. Check the venting system to ensure it is not damaged, crushed, or restricted and ensure the outdoor vent covering is open when the dryer is operating.

Questions, comments, and concerns that followed: Water Rescues: Pierce asked and Captain Soares responded that the two ocean safety incidents occurred in the Ko Olina area but HFD responded from the Kapolei station.

Honoulu Police Department (HPD) – Lieutenant Randall Arakaki reported that there were 49 motor vehicle thefts, 51 burglaries, 195 thefts, 95 unauthorized entries into a motor vehicle (UEMV), and 7,497 calls for service.

Questions, comments, and concerns that followed: August Statistics: Vice Chair Dudley asked and Lieutenant Arakaki responded that it is difficult to tell why there was a rise in crime.

**Michael Madix arrived at 7:03 p.m.; Eight (8) board members present.**

Board of Water Supply (BWS) – Rian Adachi reported the following:

- Water Main Breaks: There were no water main breaks in August 2016.
- New Website: BWS has a new, modern design that also features a mobile-friendly display. Residents are encouraged to visit [www.boardofwatersupply.com](http://www.boardofwatersupply.com).
- Water Emergency Preparedness: A crucial component of a preparedness kit is safe drinking water. Residents should store at least one (1) gallon of water per person per day for five (5) to seven (7) days. It is also important to stay tuned to media reports to take any actions announced by the BWS. More information

on water emergency preparedness is available online at [www.boardofwatersupply.com](http://www.boardofwatersupply.com). To receive emergency alerts via email or text, residents should consider subscribing to the BWS at [www.nixle.com](http://www.nixle.com).

- Red Hill Administrative Order of Consent (AOC) Update: The Environmental Protection Agency (EPA), Department of Health (DOH), US Navy, and the Defense Logistics Agency will be holding their annual public meeting on the Red Hill AOC at Moanalua Middle School on Thursday, October 6, 2016 from 6:00 p.m. to 8:45 p.m.

## BOARD BUSINESS

APPROVAL OF THE AUGUST 24, 2016 REGULAR MEETING MINUTES – **The board approved the August 24, 2016 regular meeting minutes AS AMENDED, 5-1-2. (AYE: Capelouto, Legal, Madix, Pierce, and Wond; NAY: Spreg; ABSTAIN: Dudley and Mutcheck).** Amendments are as follows:

- Page 4: Pue'o Habitat Conservation: Replace "Senator Gabbard" with "Tom Berg".
- Page 6: Rail: "spent" should read "misspent".
- Page 2: Board of Water Supply (BWS): Response/Follow-up: "CCR does not show" should read "CCR does show current containment levels".

INQUIRY CONCERNING PAST RESOLUTIONS TO ELECTED OFFICIALS – Vice Chair Dudley noted that a letter from Senator Gabbard's Office was received requesting that the resolutions be separated between City and State jurisdiction. Rock Riggs of Senator Gabbard's Office noted that the list of the 25 resolutions should have more details regarding the dates of the resolutions passing and specifics of the resolutions.

Questions, comments, and concerns that followed:

1. List: Capelouto noted that the only resolution that needs to be carried-over from the previous board is regarding the Makakilo Drive Extension. Capelouto suggested the list of resolutions be included in the minutes so that community members can pull the resolutions from the Neighborhood Commission Office (NCO) website for Makakilo Neighborhood Board No. 34.
2. Rescinded: Spreg noted concern that "rescind" should be reconsidered.
3. Attendance: Vice Chair Dudley stated disapproval for the absence of various departmental agencies and responses to the various resolutions.
4. Rescinded (continued): Capelouto clarified that some community members are confusing previous resolution positions that are not aligned with the current board's stances. Legal suggested the language be changed to reflect that any resolution passed between 2008 and 2014 be obsolete or rescinded if superseded by a more current resolution.

## COMMUNITY/BOARD CONCERNS & ANNOUNCEMENTS

- Hawaiian Haunts – Chelsie Arashiro, with Millwood Ohana Productions, announced that Hawaii Haunts will be held from Friday, October 7, 2016 to Monday, October 31, 2016 and will feature an Ohana Scare Festival, a haunted forest, and 3-D glow in the dark maze. The event will be located on the corner of Franklin D. Roosevelt Avenue and Midway Street. Tickets are sold online at [www.hawaiihaunts.com](http://www.hawaiihaunts.com). The event will run from 5:00 p.m. to 10:00 p.m. on weeknights and from 5:00 p.m. to 12:00 a.m. on Friday and Saturday nights.

Questions, comments, and concerns followed:

1. Previous Events: Madix asked and Arashiro answered that this is the first Millwood event in Kalaeloa but that they held the Ulu Festival in Laie previously.
2. Non-Profit: Madix asked and Arashiro answered that Millwood Ohana Productions is not a non-profit but that local fundraising organizations are encouraged to partake in the festival.

## COMMUNITY/BOARD CONCERNS & ANNOUNCEMENTS (continued)

- Na Pue'o Honouliuli Working Group – Resident John Bond noted that a Pueo Festival will be held alongside the University of Hawaii West Oahu (UHWO) Makahiki Festival on Saturday, November 19, 2016 at the UHWO campus.
- Ho'opili – Community member Kaukaohu Wahilani noted opposition to the Ho'opili development and that sign waving is being held every Friday from 5:00 p.m. to 7:00 p.m. on the corner of Kualakai Parkway and Farrington Highway.
- Park Care: Wond noted that work is being done to care for Kapolei Regional Park but there is more need for care. Wond noted that there is an ant problem at Kahiwelo Park and Wond plans to follow-up with the City.

- Garage Sale Signs – Madix urged the community to attend the regular board meetings. Madix urged the individuals responsible for placing the “garage sale” signs along Makakilo Drive to take the signs down. Spreg noted that he reported the sign on the City 311 app.
- Bulky Trash Pickup – Vice Chair Dudley suggested there be signs put up to inform the community on bulky trash pickup dates. Vice Chair Dudley stated that bulky trash pickup is scheduled for the first Monday of the month. Spreg noted that bulky trash pickup is a different day for Honokai Hale. Wond noted that illegal dumping continues along Kama’aha Avenue and urged more HPD presence at chronic illegal dumping sites.
- Wet-N-Wild Discount – Vice Chair Dudley noted that Wet-N-Wild is offering a discount for Leeward residents.
- News Article – Vice Chair Dudley circulated an article regarding the Ho’opili development.

## PRESENTATIONS

Presentation and Action Regarding an Update of the Consolidated Amusement Theatre in the Kamakana Ali’i Shopping Center – Rod Tengan noted that Consolidated Theatres did work with the group that brought forth concerns at the last presentation to the board. Tengan introduced the General Manager (GM) for the upcoming theatre, Jon Rosen, and Rosen reported the following:

- Opening Events: A pre-opening public viewing event will be held from Monday, October 17, 2016 to Wednesday, October 19, 2016. The grand opening will be Friday, October 21, 2016.
- Amenities: The new location will be state-of-the-art with full kitchen services. 95 staff have been hired from the Kapolei community and will work with the community to hold special events.
- Pre-Opening: Tengan noted that movies, drink, and popcorn, will cost two (2) dollars for the pre-opening event. All proceeds will be going to various charities in the community.

Questions, comments, and concerns followed:

1. Healthy Choices: Capelouto asked about healthy food item alternatives and Tengan responded that soy beans will be available and that the theatre will be serving a new menu.
2. Theatrical Productions: Madix asked and Tengan answered that there is currently no setup to allow theatrical productions, like plays, but that there are auditoriums that will allow presentations.
3. Meeting: Wond thanked Tengan for meeting with the Kapolei High PC&C.
4. Movie Selection: Dudley asked and Tengan noted that some movies are typically available at certain theatres due to their smaller production and the studio’s identification of where to hold the viewings. Tengan noted the new theatre will bring 24 screens to the Kapolei market area so the issue can be addressed moving forward.
5. Ewa Battlefield Commemoration: Bond noted that a special showing of “Tora, Tora, Tora” will be held on Wednesday, October 12, 2016 at 11:00 a.m. at the Consolidate Theatres at Kamakana Ali’i. It is a free event for all scouts and cadets programs. Bond noted that a second showing is being requested and that if the community is interested they should contact consolidated theatres to urge a second showing.
6. Hiring: Community member Georgie Navarro asked and Rosen responded that interested residents can apply online at [www.consolidatedtheatres.com](http://www.consolidatedtheatres.com) for the Olina location.
7. Preference: Wahilani asked and Rosen responded all applications are being accepted with no preferences being given.

Na Pue’o O Honouliuli Hui Update – Mike Lee reported that the Office of Hawaiian Affairs (OHA) made a united acclamation directing the chief executive officer (CEO) of OHA to direct a letter to the Office of Environmental Quality Control (OEQC) requesting a supplemental environmental impact statement (EIS) for the large developments and developers in the area. D.R. Horton, UHWO, Department of Hawaiian Homelands (DHHL), the Honolulu Authority for Rapid Transportation (HART), Hunt Development Kalaeloa, and the US Fisheries and Wildlife Services as well as the Department of Land and Natural Resources (DLNR) counterparts were directed to receive letters from the CEO of OHA. Lee noted that HART will now have to address concerns with Iwi Kupuna as well as the Pue’o owl that have been fully documented. Lee stated the HART board of directors will be holding a meeting at Kapolei Hale on Thursday, September 29, 2016, at 9:00 a.m. where Lee will be providing various documents.

Questions, comments, and concerns that followed:

1. Thanks: Madix thanked M. Lee for his work and noted the Board’s support.
2. Cultural Representation: Capelouto noted that he had believed that a cultural representative was supposed to be present at the rail drilling sites and urged that a cultural representative be present at future sites. M. Lee responded that a letter was sent to former HART CEO Dan Grabauskas in July 2015.

3. EIS: Legal asked and M. Lee answered that the OEQC is the agency responsible to trigger the supplemental EIS. M. Lee noted that a puffer fish was found in Honouliuli Gulch.
4. Thanks: Vice Chair Dudley thanked Lee and various other individuals for the work being done.

Voter Center Recruitment for the 2016 General Elections – Judy Gold noted that the Office of Elections is looking to recruit workers for the upcoming 2016 General Elections. 16 year old students can participate via fundraising. Gold noted that two (2) ballots will be available for Honolulu voters with a ballot consisting exclusively of the 20 Charter amendment proposals. For more information residents can call 453-8683.

Questions, comments, and concerns followed:

1. Constitutional Amendments: Capelouto asked and Gold read the two (2) constitutional amendments that will be on the 2016 general election ballot.
2. Compensation: Vice Chair Dudley asked and Gold responded that there are openings for voter assistants that will pay \$100 and for precinct officials that will pay \$85. Vice Chair Dudley asked and Gold answered that the voting officials are recommended to bring home lunch and drinks, but that some chairpersons do coordinate a potluck. Legal asked and Gold responded that the typical hours are from 5:30 a.m. to 6:30 p.m. or 7:30 p.m. Gold noted that there is also a facility official who is responsible for the setup and breakdown of the voting place.

TREASURER'S REPORT – Treasurer Madix stated that \$83.59 was spend on postage and other printing costs and that there is a remaining balance of \$267.42. Vice Chair Dudley asked and Madix responded that printing, postage, and envelope costs are authorized and that any other board costs would need justification. Madix noted that board members are free to spend private dollars on obtaining materials but would not be reimbursed by the NCO. The report was filed.

#### COMMUNITY/BOARD CONCERNS & ANNOUNCEMENTS (continued)

- Charter Amendments: Capelouto requested the charter amendments being voted on Tuesday, November 8, 2016 be discussed by the board at the upcoming October 2016 regular board meeting.
- Kalaeloa Airport: Madix noted that Kalaeloa has lost Mokulele Airlines services.

#### MONTHLY REPORTS

Mayor Kirk Caldwell's Representative – Bandmaster Clark Bright of the Royal Hawaiian Band reported the following:

- Potential Traffic – The Department of Transportation Services (DTS) responded to Madix's request regarding potential VIP's and traffic during the International Union for Conservation of Nature (IUCN). Madix's request was also forwarded to the State's IUCN coordinator for a direct reply.
- Tower – The antenna tower was recently installed in 2015 by the City's Department of Information Technology (DIT) and is utilized for the city's public safety communications systems and is designed to withstand Category 4 hurricanes and other extreme conditions. The colors are mandated by the Federal Aviation Administration (FAA). Without the tower, there will be no Police/Fire/EMS radio coverage on the Leeward Coast and so altering the size or removing the tower would not be feasible.

Questions, comments, and concerns followed:

1. Tower: Dudley asked how radio coverage and Police/Fire/EMS services were done before the tower was put up.
2. Abandoned Vehicles: Spreg noted three (3) abandoned vehicles have been cited on Makakilo Drive and nothing has been done since being cited several weeks prior. Two (2) trucks are near the Makakilo Swimming Pool and one (1) vehicle is nearer to Royal Ridge.
3. Grass on Median: Spreg noted that the grass in the median of Makakilo Drive near the westbound H1 on-ramp is dangerously high and needs to be cut.
4. 311 App: Spreg asked if the Honolulu 311 app is the best option for residents to address community concerns.
5. Tower (continued): Capelouto asked if the 2015 HPD/HFD/EMS radio tower project was exempt from the usual process of community notification.
6. Mayor's Response: Madix requested the Mayor's response to the resolutions that fall under City jurisdiction of the 25 resolutions passed by the Makakilo/Kapolei/Honokai Hale Neighborhood Board No. 34.

Councilmember Kimberly Pine – No representative was present; a report was provided.

Governor David Ige's Representative – No representative was present; a report was provided.

Hawaii Community Development Authority (HCDA) – No representative was present; no report was provided.

Honolulu Authority for Rapid Transit (HART) – Pat Lee reported the following:

- Train Community Day: HART held a Train Community Day on Sunday, September 25, 2016.
- Core Systems: The trains are part of the core systems. The core systems include train vehicles, controls and operating systems, which are the “trains and brains” component of the rail project. HART is building a driverless, fully automated system and the first of its kind in the US. There are hundreds of safety and certification items to be tested, verified and approved for the core systems. Testing and certification is a two (2)-step process. HART will receive 80 rail cars for the system. The first cars have already arrived and all 80 should be manufactured and delivered to Honolulu within the next three (3) years.
- Testing: Powered Train testing will begin around the end of 2016 at the Rail Operations Center (ROC) for controls, acceleration, braking, heating and air conditioning, doors, the communication system and the event recorder system. Then next year, tests will be conducted on the guideway between the ROC and the Waipahu and Westloch stations, then to the Ho’opili station. Testing on the guideway is required to fully qualify the train’s performance and verify operating controls and functionality. Once the trains are tested and certified, the signaling and automated train operations are tested. Tests include verification of all safety features of the signaling system, starting and stopping at various station locations, keeping proper speed and schedule, and stopping at the correct spot at the stations where the platform passenger safety gates open and close for boarding. Traction power substations, signaling and communication, passenger address systems, emergency and passenger call systems are all tested and verified. Americans with Disabilities Act (ADA) compliance is also verified, including level floor boarding for wheelchair passengers.
- Certification: Certification is currently in process by the State of Hawaii Department of Transportation (HDOT) in conjunction with the Federal Transit Administration (FTA),
- Traffic: In response to board member Spreg’s previous questions about traffic, the rail EIS, chapter 3, page 3-30 states: “VMT (Vehicle Miles Traveled), VHT (Vehicle Hours Traveled), and VHD (Vehicle Hours of Delay, the measure of heavy congestion compared to free-flowing traffic conditions) are projected to decrease under the Project compared to the No Build Alternative (Table 3-14). Daily VMT will decrease by four (4) percent and VHT will decrease by eight (8) percent. VHD will experience the greatest decrease: 18 percent. This reflects the fact that even moderate decreases in traffic volumes under congested conditions can result in relatively large decreases in travel delay. (See table 3-13, Island wide daily trips by purpose)”
- Reminder – Just a reminder about the Shop and Dine on the Line program to assist businesses along the rail alignment during construction. The website is: [www.shopanddineontheline.com](http://www.shopanddineontheline.com). For general project information, traffic updates, meeting notices and more information, please visit the website [www.honolulutransit.org](http://www.honolulutransit.org), call the project hotline at 566-2299 or email a question at [info@honolulutransit.org](mailto:info@honolulutransit.org).

Questions, comments, and concerns that followed:

1. Station Funding: Madix asked and P. Lee responded there are nine (9) stations under various stages of construction. Madix asked and P. Lee answered that the funds are encumbered for the Ho’opili rail station and that HART is currently working on the FTA’s request for a recovery plan and that public-private partnerships may be possible. P. Lee will follow up with specifics.
2. Finances: Capelouto read a letter which noted serious concerns with the HART board’s oversight of former CEO Grabauskas and the board’s fiduciary responsibilities. Capelouto asked where the breakdown in communication was and who should the community hold accountable for the budget shortfalls.
3. Crush Capacity: Spreg noted that the rail cars can hold 200 riders at “crush capacity”. P. Lee clarified that he was reporting the maximum capacity.
4. Traffic: Spreg stated disapproval of the traffic comparison with the “No Build Alternative” and asked how much worse traffic will be in 2030 after rail is built. P. Lee clarified that the “No Build Alternative” is included in the EIS as the baseline. Spreg noted that traffic will be 19% worse in 2030 after rail is constructed based on table 3-14 of HART’s EIS.
5. Contracts: Vice Chair Dudley asked and P. Lee responded that Kiewit built the first 10 miles from East Kapolei to Aloha Stadium and the next 5.2 miles has been awarded a joint venture, STG, for \$850 million.

Senator Mike Gabbard – Rock Riggs reported the following:

- Kamakana Ali’i Mall: Half of the stores in the mall will be opening on Friday, October 21, 2016.
- Kapolei Interchange: Phase 2 of the Kapolei Interchange is underway. The project will include an eastbound H1 exit ramp onto Wakea Street and an overpass to allow westbound commuting along H1 from Wakea Street. Construction began January 2016 and will last until mid 2018.

- Listen Story: The next Listen Story will be held at the Ewa Mahiko District Park meeting room on Saturday, November 5, 2016, from 9:00 a.m. to 10:00 a.m.

Questions, comments, and concerns followed:

1. Kualakai Extension: Capelouto asked for an update on Senator Gabbard's position on the Kualakai Parkway extension. Riggs responded that there is no specific updates but that the Senator would like a list of resolutions passed by the board that addresses concerns under State jurisdiction.
2. Resolutions: Madix requested a response from Senator Gabbard regarding all the resolutions passed by the board that fall under State jurisdiction.
3. Budget Surplus: Vice Chair Dudley asked and Riggs responded that the Governor will make his budget proposal to the legislature, who will then make their amendments. Vice Chair Dudley noted that an extra lane on H1 would be beneficial to the community and urged Senator Gabbard to oppose the Ho'opili development so that the agricultural land can be preserved. Legal noted concerns that there may be no actual surplus.

Senator Maile Shimabukuro – No representative was present; a report was provided.

Representative Sharon Har – No representative was present; a report was not provided.

Representative Andria Tupola – Representative Tupola reported the following:

- Resolutions: Representative Tupola noted that the Hawaii Community Development Association (HCDA) would like two (2) corridors, one (1) each for the west side and east side. Representative Tupola noted she opposed resolutions 9 and 18, and supports resolutions 22, 23, 24, and 25 on the listed board resolutions.
- Town Halls: A Smart 911 town hall was held on Tuesday, August 30, 2016. A Kolekole Pass town hall was held on Wednesday, August 31, 2016. A town hall was held on Thursday, September 1, 2016 to address a Kalaeloa electricity billing issue. The former allocation method that was being utilized will be changed to rate charges.
- Emergency Preparedness: The 2nd Annual Wake Up Westside emergency preparedness fair was held on Saturday, September 17, 2016.

Questions, comments, and concerns that followed:

1. Electric and Water Bill: Capelouto asked and Representative Tupola responded that the electricity and water bill will be done individually based on usage. Representative Tupola noted that the land owner believes that there may be a leak in the area.
2. HCDA: Madix asked if Representative Tupola could encourage HCDA to attend the neighborhood board meetings.
3. Concerns: Dudley reiterated his request for an extra lane on the H1 freeway and to save the Ho'opili land.

Representative Ty Cullen – No representative was present; a report was not provided.

## REPORTS

Planning and Zoning Committee – Vice Chair Dudley noted the meeting held with BWS was good. Mutcheck reported that alternative methods of gaining water for the community was discussed. Capelouto asked and Mutcheck responded that the Campbell Industrial area uses three (3) million gallons of water per day and the desalination plant would create one (1) million gallons of water per day. Capelouto asked and Vice Chair Dudley reported that no EIS was discussed but that opposition to desalinated water was expressed. Spreg added that BWS indicated that a small plant is planned for the Kapolei area and that a larger plant may be built later elsewhere.

## ANNOUNCEMENTS

Next Scheduled Meeting – The next scheduled board meeting will be Wednesday, October 26, 2016 in the Kapolei High School Cafeteria at 7:00 p.m.

The meeting adjourned at 9:45 p.m.

Submitted by: Relley Araceley, Public Relations Assistant

Reviewed by: Neil Baarde, Neighborhood Assistant II

Finalized by: Kioni Dudley, Vice Chair

## **List of Resolutions Awaiting Responses**

### **ACTIVE - STATE AND CITY COUNTY OF HONOLULU (BOTH)**

1. Ewa Development Plan (Opposed) – Aug 2013
2. Ho'opili (Opposed) – Aug 2013
3. RAIL (Opposed) – Oct 2013
4. Kalaeloa East Energy Corridor (Opposed) – Jul 2014
5. Banyan Trees along Roosevelt (Support Preservation) – Aug 2014
6. Koolauloa Sustainable Community Plan Bill 47 (Opposed – Urbanization) – Feb 2015
7. Relating to Additional Taxation for RAIL (Opposed) – Mar 2015
8. Ho'opili Alternatives (Support) – 30 Apr 2015 (Special Meeting)
9. Housing Construction – Traffic and Housing Construction—DPP Cease Future Const. Permits until Traffic at  
LOS D (support) – Feb 2016 – Apr 2016
10. Pueo Habitat and Preservation (Support) – Mar 2016
11. Ewa Airfield Historic Monument and National Battlefield (Support Preservation) – May 2016
12. Hawaii Railway Society Preservation and opposition demo (Support) – Aug 2016

### **ACTIVE - STATE (ONLY)**

13. Kualakai Extension (Opposing) – In Essence Supporting Hawaii Railway Society – Aug 2016

### **ACTIVE - CITY AND COUNTY OF HONOLULU (ONLY)**

14. Makakilo Drive Extension (Support) – Jun 2013
15. Honolulu Ethics Commission – Revoke anti-media policy (Support) – Jul 2015
16. Water Runoff – Hoopili (Support DPP, DR Horton addressing issue) - - Feb 2016

### **ACTIVE - (NO FURTHER ACTION ANTICIPATED)**

17. Embassy Suites Hotel (Support) – Feb 2015
18. Kapolei Soccer Park (Support) – Pending
19. Avalon Development Tower – Cell Dead zone along Makakilo-H1 Onramp – (Support) – Jun 2015
20. Banners for Community Notification (Support) – Jul 2015
21. Consolidated Theaters – Liquor License (Support) – Jun 2016
22. Regal Theaters – Liquor License (Support) – Apr 2016
23. Kau'pea Wall (Support) – Mar 2016
24. Pu'uo Kapolei Signs (Support) – Jul 2016
25. Camp Palehua (Letter of Support) – Aug 2016
